Why You Should Book Dana

Dana is a sales powerhouse who consistently leads with integrity, smashing company records and inspiring people along the way. Through this experience, she has become a knowledgeable leader in the realm of personal potential, notably living out the life she envisioned and designed. Dana has worked with executives and team members at hundreds of organizations, providing them with tools to maximize their potential and increase productivity. She has a specific passion for helping clients break through belief barriers, shatter self-doubt, and overcome obstacles to fulfill lives of purpose and impact. Dana is an expert in organizational structure, leadership development, and leadership EQ. Her keynotes share time-proven principles intermixed with motivating anecdotes that will stir and guide your audience to become the best they can be through self-reflection and initiative to take action.

FEATURED KEYNOTE

The Road to Your BEST

In this motivational keynote, Dana draws from her decade+ long experience as an award winning, nationally recognized sales and leadership coach. She will share proven principles to overcome the most common challenges faced by those who strive to accomplish their goals and be their best. Dana will guide you along a path to unleashing your untapped potential, making this the best season of your personal and professional life.
